Dear New Life Family,

Recently, the Governor of the state of Maryland, Larry Hogan, announced the first stage of Maryland's reopening plan with the lifting of the Stay-at-Home order as of May 15, 2020. The State will transition into a "Safer-at-Home" advisory that eases some of the gathering restrictions we've complied with. However, in spite of this change, the Allegheny East Conference of Seventh-Day Adventists has advised that all conference churches remain closed until the end of May. With that guidance, we will not hold any in-person services until new guidance has been provided.

It is important to know that, the conference, the Pastor and local church leadership continues to prioritize the safety of our members and visitors. We have appointed a committee specifically tasked with reopening our facility and restarting in-person services to ensure the safest transition possible.

We continue to miss our church family and the many fellowship opportunities that have been on hold during this pandemic. As we continue to pray for all those in our family of faith and community, we ask for your patience as we move forward safely, together.

May God continue to bless you,

Pastor Troy Levy
